

News from the "Source church" and our church network.

Thanks again for your prayers and support.

Here are the news of The Source Network.

We had our "network weekend" with 115 people. We felt a stronger desire to reach the people around us.

The church "La Source" in Lisieux

3 new people in recent weeks. The church is stable even without a pastor.

Pray for the 2 couples in leadership, for wisdom and discernment.

Pray for October 13, we will have a mission day led by a team of WEC missionaries. This training is open to the entire network.

Coffee shop

We now have 18 volunteers, including weekly volunteers and those who come occasionally. It's a real joy

An evangelistic team will join us for 8 days and will work in the coffee shop, in our kids club and in the streets.

Prayer : for more conversations with customers

Prayer : for boldness as we want to share the good news

Church plant Le Neubourg

3 new people joined the small church plant recently.

Prayer : for Daniel and Evelyne, as they have a bible stand in the market every week.

Church plant in Honfleur

Our first goal is to create a website to increase our visibility.

Prayer : we see some new visitors and we pray that they would stay with us.

Church plant in Caen

There are arrivals and departures, as in any big city.

Prayer for perseverance for Sena, the pastor and for the leadership team.

Church in Rouen

This is an encouraging time with the arrival of several families including one who was not going to church anymore. We started alpha with 20 people with 8 seekers coming.

Prayer for our the people doing alpha that they would meet God

Prayer for the team that will join the M4 program and come back to propose missioinal projects to the community

M4

In November, I will lead the first weekend for the new M4 learning community. 4 church planters and their teams will follow the process during two years. We expected more teams but but we feel this is important to start this new programme event if there is not a lot of teams.

Prayerer for our national committee (3 of us) and for new church planting teams .

Thanks you again for your prayers, your love for France, your support.
God bless you all.

Francis and Diane
