

## News from the network « La Source » in Normandy **Jun 2019**

Here is some news about our network. We have planned different Evangelistic events in June.

### **Coffee shop**

We had a robbery 2 weeks ago at the coffee shop on the council estate . The team was destabilised but we gathered the volunteers and a new organization has been set up. Prayer has regained its importance. The Church of La Source was able to help the coffee shop financially during this difficult time. The team is now back at work.

#### **Prayer:**

- For the protection of the coffee shop
- For a music festival : a team from the USA will come for the annual “ music festival”. The team will perform outside the coffee shop.
- For wisdom for the team as they try to bring the kingdom of God in Lisieux.

### **La Source in Lisieux**

The church continues courageously, but still without a pastor. Two couples with experience will help the church in September.

#### **Prayer**

- Pray for the team that is setting up. May God give him wisdom and discernment.

### **Honfleur**

Francis is leading a group in Pont Audemer. A few non christian people meet every two weeks. They are quite open to the gospel.

#### **Prayer**

- Let's pray for Corine, Viviane, Jeannine that they give their lives to Jésus. This group is linked to the Honfleur group.
- Let's pray for Lucia who is going to be baptized.

### **Caen**

Séna is working hard. He has organised different kinds of meetings. He is in contact with lots of refugees.

#### **Prayer**

Let's pray for Séna and his family, for perseverance as church growth is slow here, for discernment

Thank you for praying for our family as we have recently welcomed Anna who is 20 months old and Aurore's little sister who has been with us for 2 years. (fostering)

We would appreciate your prayers for Joel, our son, who has just finished his business Masters but is finding it very difficult to find a suitable job. Pray for him to be encouraged and that the Lord would show him the right place to be. You can find him on LinkedIn !
